TRANSMISSION BUSINESS LINE

September 23, 2004

In reply refer to: TMC/Ditt2

To Interested Parties and Customers:

On Thursday, Sept. 30, the Bonneville Power Administration's Transmission Business Line will hold its fourth customer workshop for setting transmission rates for fiscal years 2006 and 2007. Some of the items to be addressed at the rates workshop are: hourly nonfirm service as a reserved product, NT customer-served load, formula rates, price signals, FPT rate development, and the Failure to Comply charge.

The workshop will be held from 9 a.m. until 4 p.m. in the Rates Hearing Room at the BPA headquarters building at 911 N.E. 11<sup>th</sup> Ave., Portland, Ore.

A phone bridge is available for anyone who would like to participate by telephone. To access the bridge, please dial (503) 230-5566, pass code 2323#. Please mute your telephone by dialing \*6 after connecting to the bridge.

An agenda and handouts will be posted to the TBL website at [http://www.transmission.bpa.gov/Business/Rates\\_and\\_Tariff/2006RateCase.cfm](http://www.transmission.bpa.gov/Business/Rates_and_Tariff/2006RateCase.cfm) prior to all meetings.

Due to increased security, please allow additional time for entry into the building. You must present a photo ID and sign in at the security desk.

Please direct any questions to your TBL account executive or email to [tblfeedback@bpa.gov](mailto:tblfeedback@bpa.gov). You can also call toll free to 1-888-276-7790.

Sincerely,

*/s/ Nancy Parker Sept. 23, 2004*
